Take In "A Night Off"

It has been a long time since we Carmelites have seen a good old-fashioned comedy here, so there should be a full house at Arts and Crafts Hall to see "A Night Off."

It will be worth double the price of admission to watch Joe Hand put over some of his stuff, to say nothing of Miss McLean, Mrs. Fred Leidig, Argyll Campbell, George Seideneck, and others.

ORDER TO SHOW CAUSE

In the Superior Court of the County of Monterey, State of California,

In the matter of the guardianship of the person and estate of Ernest Meadows, Laurence J. Meadows, Alice M. Meadows, and Harry M. Meadows, Minors.

It appearing to this Court from the verified petition this day presented and filed by Ernestine V. Northup (formerly Ernestine V. Meadows), as guardian of the above-named minors, praying for an order for re-mortgaging the certain real property described in said petition belonging to said wards, that it is necessary that said real estate be remortgaged.

It is hereby ordered that the next of kin of the said wards and all persons interested in said estate appear before this Court on the 6th day of May, at 1:30 P. M., in the Courtroom of this Court at the Courthouse in the City of Salinas, County of Monterey, State of California, then and there to show cause why an order should not be granted for the re-mortgaging of said real estate.

And it is further ordered that a copy of this order be published at least once a week for four successive weeks before the said day of hearing in the Carmel Pine Cone, a newspaper printed and published in said County of Monterey.

Dated March 31, 1920.

Boosts and Knocks

By Observer

I don't know much about politics, but I'll wager that Johnson carries Carmel on May 4. The Wood vote will be negligible. Even should Hoover carry California, he will not win the nomination. My advise is, if you want a Californian in the White House, vote for Hiram W. Johnson.

If poker interferes with your business, give up your business. Perhaps it will pay better.

Now that the city election is over, it will not be amiss to call attention to a feature of Mrs. Cooke's Lincoln-like manner of making her points. In a communication to this paper several months ago she used a pair of boots to cinch her argument. And in her pre-election letter a pair of socks came in handy. "Yes," says the citizeness, "naturally when one thinks of streets, one thinks of feet also."

It is only because Mrs. Canine (the Belgian Lady) has a fine sense of justice that a certain business man of this town has cigar money. He lunches at Curtis' nearly every day, and invariably walks out without his hat. The hat is always turned over to the aforesaid lady to be redeemed by the owner, and he always gets off pretty cheap.

A little animal lover in this town who is especially fond of dogs, is going to give a dog party on her dog's birthday, and announces that invitations will be sent to the following: "Waggs" Hopper, "Jerry" Gottfried, "Teddy" Hicks, "Jack" Bechdolt, "Midge" Greeley, "Pup" Schweninger, "Pompeii" Brake, "Brownie" Overstreet, "Sammo" Pinkerton, "Bruna" Curtis, "Scotty" Ross, "Snookum" Fraties, "Binck" Turner, "Teddy" Goold, "Squibs" Vernall, "Tuppence" Greene" and others. "Every dog has his day."

Why Do the minority of Carmel housewives send their soiled clothes to other than the **Del Monte Laundry**

Because they don't realize that the Del Monte uses only pure soap, without harmful chemicals, in washing.

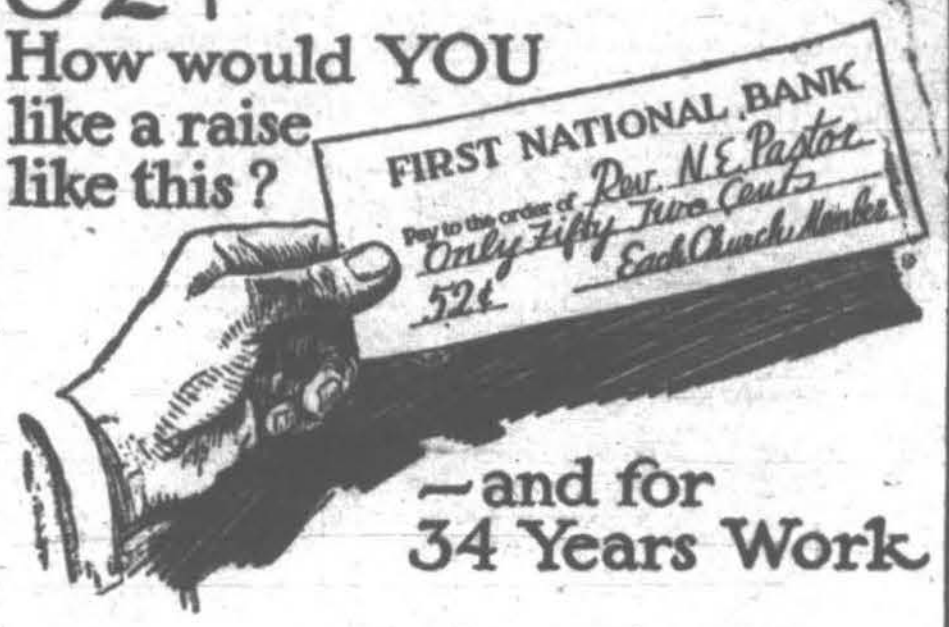
52¢
How would YOU like a raise like this?



—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more *per church member* than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than $20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do *you* contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.
